Dear Resort Friends, we are going on 28 years here at Wormley's Happy Days Resort making it 94 for the Resort itself. We love this business and that is because of all of you, our Resort Friends. We have all endured a number of tough years recently but we all can agree our time at the lake has been and still is, and will continue to be a wonderful respite from it all.

The phases used in last years letter were pretty accurate with most of phase 1 having been completed (cabin 4 bathroom floor, cabin 7 deck restructure, painted all cabins) and this year we will continue staining, add that second new electric start outboard, rebuilding the fire pits, adding another new dock, bringing in some larger landscape rocks to help replace older railroad ties, New cabin Numbers, continue outside cabin light replacement, cabin 2 lakeside window replacement, cabin 7 new flooring and much more. Phase II involved working on building a new cabin across the road and cabin 2 roof restructure. We will be getting those permits into place this winter and spring and see where that takes us and what is allowed.

Our daughter Samantha is now engaged and they have bought a house in Roseville. Sams' fiancé Kiefer is currently in his second year of Dental School at the U of M. Thomas continues to be a great help here at the Resort when he is free from work. He is now in his second full year as a Real estate Agent with Wolff and Simon here in Park Rapids, he attained his GRI distinction and is doing very well.

Look for openings as I will post them on Facebook as soon as they are confirmed.

Happy New Year, Bryan, Heidi, Thomas and Samantha
